

WBN MEMBERSHIP

What are the benefits of joining WBN?

- You will be able to attend ten meetings a year, and other WBN events, free of charge to network with other businesswomen from your region and to present your business to the group at each meeting. Meetings offer both informal networking and formal presentations by members and business experts.
- You will have the opportunity to schedule a 10-minute, in-depth presentation of your business to the group.
- Your business will be listed on the WBN website at www.wbnsema.org.
- You can market your products, services, events and offers directly to the WBN mailing list through its regular emails. This email list includes both members and others who have an interest in WBN services. Currently, our list consists of over 100 people. WBN members also use this list to offer member-to-member discounts.
- You will be able to list your business events, seminars or classes on WBN's online calendar and join WBN's LinkedIn Group to blog and list your events, news and business offers.

How can WBN help me in the long run?

- In addition to the exposure you receive for your business, you will benefit from the personal advice and mentoring of other women who are in the same position you are. WBN's members operate a variety of businesses and run the gamut of experience from "highly seasoned" to "just starting out". They belong to many other networking organizations that you can learn about and join as well.
- You can expand your leadership skills by volunteering to assist in organizing WBN's activities or becoming a Leading Lady.

What if I am not sure I want to join?

- Come join us at one of our WBN meetings for a \$10.00 guest fee, or contact our Membership Coordinator at membership@wbnsema.org with your questions. Your guest fee will be credited toward your \$75.00 membership fee for that year if you become a member by the following meeting. We meet the second Tuesday of each month from 9:30 to 11:30 AM at the Mansfield Town Hall, 6 Park Row, Rooms 3A/B, Mansfield, MA, 02048 (September through June).
